**Where do baby ghosts go while their parents work?**

The illustration features two cheerful, blue, ghost-like characters with large eyes and wide smiles. They are set against a warm, orange-yellow background with a halftone dot pattern. The larger ghost in the foreground is holding a purple block with the letter 'A'. Behind it, a smaller ghost is holding a yellow chain. To the right, three alphabet blocks are stacked: a red block with 'B', a blue block with 'O', and a green block with 'Q'. The overall style is playful and cartoonish.
