

## **Celebrate Dad With These Beautiful Father's Day Cards!**

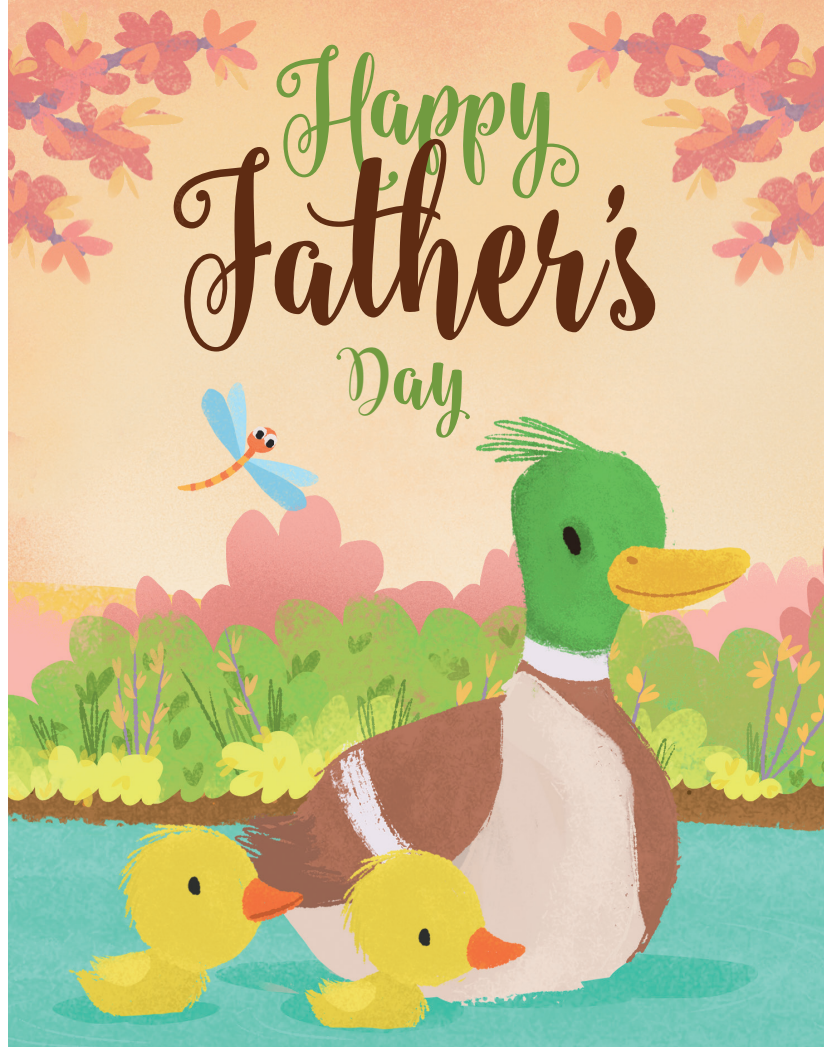

To print out an assortment of Cricket Father's Day cards perfect for all the dads, grandpas, uncles, godfathers, and friends in your life, follow the instructions below. Two different Father's Day cards will print on each page.

1. Insert the correct paper into your printer. Cardstock paper will help your cards look and feel their best.
2. Print pages 2-4. This will result in Father's Day cards that are blank inside. If you want to keep them blank inside, just cut down the dotted lines, add your personalized note, fold, and send!
3. If you would like to add the greeting, place the same paper back in the printer so that the blank side will be printed on.
4. Print pages 5-7.
5. Cut out each card, fold them in half, add your greeting , and send to all the special men in your life.
