

# Philtre D'Amour

by Henri Z. Wizard  
Art by Aaron Boyd

*PHILTRE D'AMOUR* (FEEL-tra da-MOOR) means “love potion” in French. You’ll surely cast a *délicieux* magic spell this Valentine’s Day when you brew up your own fizzy philtre!

## What You’ll Need:

pitcher

wooden spoon

2 or 3 clear glasses

(goblets are best)

12 oz. lemonade

12 oz. lemon-lime soda

1 cup raspberry sherbet

1 package fizzy candy

(such as Pop Rocks)

## What to Do:

1. In a pitcher, combine lemonade and sherbet. Stir until mixture is smooth.
2. Pour the mixture into glasses, filling them about halfway.
3. When it’s time to serve the philtre to your beloved, place glasses in a sink. Fill glasses up to the top with lemon-lime soda, and watch the *amour* bubble over!
4. Sprinkle fizzy candy on top to give your philtre an extra “pop.”
