

# Back to School

Art by Ron Lipking

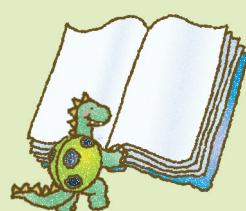

## At the Hair Salon

It's time to get ready for school! First, Mom and the kids—Luke, Lucy, Lauren, and Little Leo—all go to the hair salon to get haircuts.

## At the Store

Then it's off to the store to buy school supplies—pencils, paper, crayons, and erasers.

## At the Doctor's Office

Dad takes the kids to the doctor for checkups. The doctor listens to Luke's heartbeat. Lucy has grown over the summer. The nurse checks Lauren's blood pressure.

## At the Shoe Store

The kids need to choose new shoes for school. Luke tries on all the latest styles. Lucy can't find any shoes that don't pinch her toes. Lauren loves these sneakers. Little Leo brings his favorite pair to Mom.
